

Dinner and Discussion

!!!!NEW LOCATION!!!

Wednesday, August 18
5:30pm

American Legion Hall
24 Congress Street, Rumford

Topic: Autism

Autism is a brain disorder that often makes it hard to communicate with and relate to others. With autism, the different areas of the brain fail to work together. *With early treatment, children with autism can learn new skills for success as they grow older.*

Please reserve your seat today by
calling 369-1194

This dinner is part of a series hosted by Tri-County Mental Health Services (TCMHS), the practices of Rumford Hospital Primary Care, and the Dental Collaborative, partners in the Integrated Care Project funded by the Maine Health Access Foundation. For more information about Integrated Care and to sign up for free information and updates, call 1-888-304-HOPE (4673) or visit www.tcmhs.org
